

Quality Policy

Sammaan Capital consistently provides products and services that meet or exceed our customers requirements and expectations and complies with statutory and regulatory guidelines. The organisation believes in the philosophy of complete and speedy resolution to foster customer satisfaction.

The Quality team took this challenge to institutionalise this philosophy of customer service through adequate training of our employees, adherence to proven procedures, total commitment to meet and exceed customer requirements, and maintaining a company culture that fosters continuous improvement. Our objective is to deliver complete service on time, every time.
